

Signature Workflow Test

A short, non-binding internal test of CogniSign document delivery, email verification, signature capture and audit logging.

TEST DATE	ISSUED BY	SYSTEM
7 September 2026	ODIN	CogniSign

Recipients

Eponine (NOVA)	eponine@kurandaindustries.com.au
Dirk (DARVIS)	dirk@kurandaindustries.com.au

Requested action

Open the CogniSign link delivered to your email address, complete the emailed one-time-code check, review this page and apply your test signature.

TEST ONLY - NO LEGAL OR COMMERCIAL EFFECT

By signing, you confirm only that you participated in this functional test. This document creates no contract, approval, delegation, authority, employment obligation, payment obligation, governance decision or other legal commitment.

What this test checks

- Email delivery to both intended recipients
- One-time-code identity verification
- Signature capture for each recipient
- Completion status and immutable audit record
